Instructions

Welcome to the LLN assessment. This test is designed to help us identify any support you might need to successfully complete your course. By understanding your Language, Literacy, and Numeracy (LLN) skills, we can determine whether additional assistance is required or if external support might be beneficial.

You may use a calculator for the numeracy section, though it is not mandatory. Additional paper is available if you need to draft your responses. The assessment will be supervised to ensure a supportive and fair environment for all students.

The questions vary in difficulty. Please attempt each one to the best of your ability, but if you find a question too challenging, feel free to move on to the next one. You can return to unanswered questions later if there is time remaining.

Once the test is complete, your responses will be reviewed. Please answer honestly and do your best. Good luck!

Language and Literacy
Question 1: Explain the main reason you decided to enroll on this course, how you will benefit from its completion and the skill you have that will help you to complete the course. (Approximately 150 words)
Write Answer Here:
Assessor only: 150 words, spelling and correct grammar, ☐ R4 ☐ W4

Language and Literacy
Question 3: Read the following paragraph, identify the real instructions and then create a step-by-step process for a recipe on baking a cake.

When you are baking a cake, it is important that you enjoy the experience. Your kitchen should be bright and happy, and you must use all the best ingredients. You want the cake to come out looking great, so make sure that you start by greasing a 28 cm x 18 cm lamington tin, and line the base with greaseproof paper. If you are so inclined, you might want to gather all the ingredients together as it can be helpful to premeasure everything so that it is quick. Combine all ingredients in a small bowl of an electric mixer. Watch the ingredients all blend together. Beat at a low speed until blended, then beat at a high speed for 3 minutes. Make sure that you don't get your fingers caught in the beaters. Pour mixture into tin and bake in a moderate oven for 30-40 minutes. This is a good time to start cleaning up the mess, you might even enjoy licking the beaters!!! When cold ice with icing of choice and sprinkle with coconut or icing sugar.

Assessor only: Answered correctly ☐ R4 ☐ W4

Language and Literacy

Question 4: Read the following text and answer the questions below:

"Cats is a musical composed by Andrew Lloyd Webber, based on Old Possum's Book of Practical Cats by T. S. Eliot, and produced by Cameron Mackintosh. The musical tells the story of a tribe of cats called the Jellies and the night they make what is known as "the Jellicoe choice" and decide which cat will ascend to the Heaviside Layer and come back to a new life. Cats introduced the song standard "Memory". The first performance of Cats was in 1981."

Andrew Lloyd Webber, Baron Lloyd-Webber [2][3] (born 22 March 1948) is an English composer and impresario of musical theatre.[4] Several of his musicals have run for more than a decade both in the West End and on Broadway. He has composed 13 musicals, a song cycle, a set of variations, two film scores, and a Latin Requiem Mass. Several of his songs have been widely recorded and were hits outside of their parent musicals, notably "The Music of the Night" from The Phantom of the Opera, "I Don't Know How to Love Him" from Jesus Christ Superstar, "Don't Cry for Me, Argentina" and "You Must Love Me" from Evita, "Any Dream Will Do" from Joseph and the Amazing Technicolor Dreamcoat and "Memory" from Cats. In 2001 the New York Times referred to him as "the most commercially successful composer in history".[5] Ranked the "fifth most powerful person in British culture" by The Telegraph in 2008, the lyricist Don Black stated, "Andrew more or less single-handedly reinvented the musical." (https://en.wikipedia.org/wiki/Andrew_Lloyd_Webber)

Question	Answers: Write answers inside the box
a. Who composed the Cats musical?	
b. In which year was the first Cats performance?	
c. What is the Cats musical about?	
d. Name three other musicals by the same writer?	
e. How do the New York Times refer to Andrew Lloyd Webber?	

Assessor only: Answered correctly ☐ R4 ☐ W4

Numeracy

Question 5: Write Answer inside the Boxes:

Julie works full time. She earns $550 per week for a 5-day week

Questions	Answers
a. How much does Julie earn each day?	
b. How much does she earn in one year?
